# **ALURA TANKER & TRAILER**

**Alura is a supplier of transport equipments settled in Konya/Turkey.**

**Alura designs new semi trailers according to the needs and orders of its clients as client satisfaction is above everything for our company.**

**To meet our client's needs, Alura is a company that continuously keep on following all technological developments both in its own field and in the field of transportation.**

**The principle that lies under its aims is to provide the best service.**

## **\* PART DIVISION**

**As the company has grown, our parts and inventory division has grown to meet the demands of our clients. Our clients have the peace of mind knowing that ALURA can swiftly deliver any replacement part needed.**

## **\* TRAINING**

**Our commitment in each sale is to make certain that clients are properly educated and even trained if necessary (at our location or theirs) to service and maintain the equipment being purchased. Here again is where we believe our efforts surpass a traditional equipment supplier.**

## **\* OUTSOURCING / SUBCONTRACTING**

**One key to ALURA's success is the ability to understand the clients needs, and to put the correct partners and plan in place to ensure clients expectations are exceeded.**
